

Brief administrative region research

In teams of two you will do a brief research on one administrative region of the province of Quebec.

Here are the things that you have to mention in your research

- 1- The name of your region (The regions cannot be selected twice)
- 2- Any reason why you chose this region (optional)
- 3- What is the administrative capital?
- 4- What are the economic activities related to natural resources?
- 5- What are the things to do? (tourism)
- 6- Besides the capital, any important towns?
- 7- Any good reasons to visit this region?
